Once you have done that, follow this link to get to the Club championships registration:

Click Member login on the Top right:

If this is the first time you are logging in, click 'Forgot login details'. If you already have a Diving Victoria login, use that as your username (it's generally diver's first initial and then surname all lower case, e.g. rsmith)

You can use your email address to reset your password if you don't have a username

You will now be sent an email with your username and a link to reset your password. You can then log in with those details and click Events, and then you should see RDC Club Championships. Click the “i” to see the Competition information, and then click ‘Register’. Your coach should let you know which events you will be doing. Once you have filled in all the information and agreed to the Waiver, you are entered and ready to go.
