

How to Register for classes

Learn to Dive

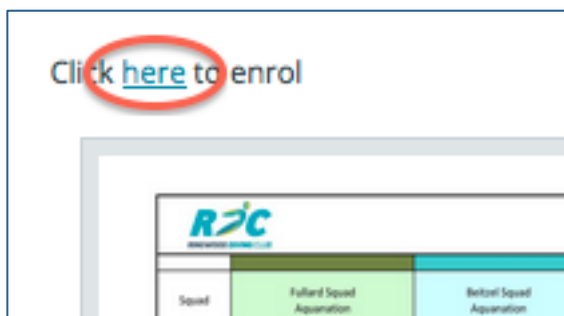

1. Visit our website at <http://www.ringwooddivingclub.com.au>
2. Click on 'Enrolments'

3. Click on 'Classes'. This will show you the current timetable for Aquanation or MLC. To enlarge the image, click Ctrl + (PC) or Command + (Mac)

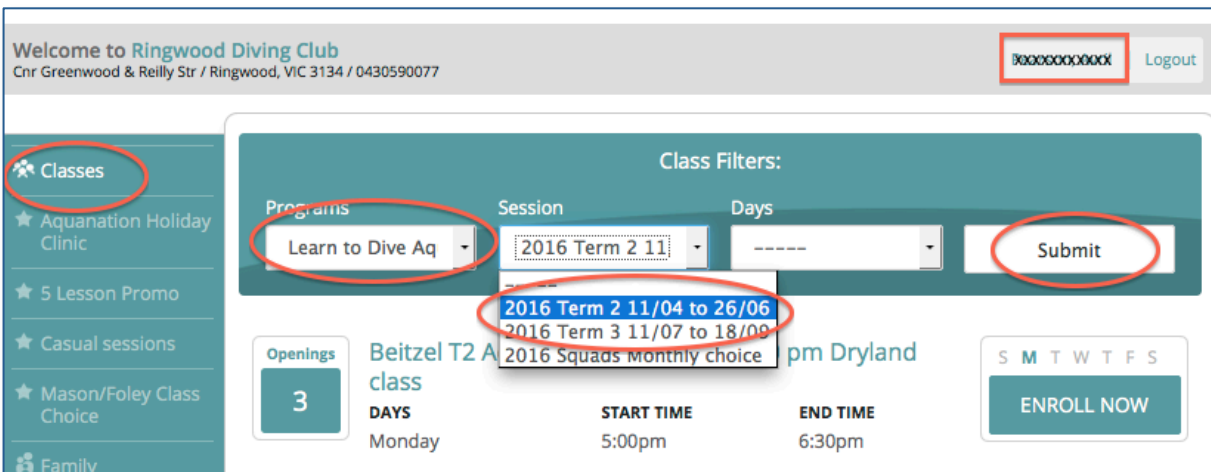

4. Click on 'Click here to enrol'. This will take you to our Registration Portal. Once you

have read through the information, you will need to create an account (or log in if you already have an account). The 'Responsible Parties' are those who will be paying the account. Fill in as many details as possible, to save you from having to do it later. The diver is entered as a student. If the diver is responsible for the account, those details need to be entered as such and as the student.

- You will have to agree to all the terms and conditions. It is a prerequisite for membership of RDC that you agree to all the terms and conditions as laid out. Please ensure you have read through and agreed to all these. If you have any queries, please contact our Operations Manager on 0430 590 077
- Once logged in, choose 'Classes' on the left, and then filter as required and click 'Submit'
