1. AIM

The aim of this policy is to clarify the RDC discount policy for family members

2. PURPOSE

The purpose of the policy is to provide a small saving to families who have more than one family member diving in regular classes at RDC

3. Parameters

For the purpose of this Policy, divers are considered 'family members' if they regularly live in the same dwelling or are children of the same parent, or in the custody of the same parent

Where a family has more than one member participating in dive classes in a single term, the family will be entitled to a discount as follows:

- there will be no discount on the fee for the highest term fee paid
- for the second and subsequent divers, there will be a 10% discount on diving fees

This is not available for any other RDC fees, such as Holiday Clinics, Competition Coaching Fees, Winter Training Camp or Club Membership.
